

DRESS REHEARSAL

FRIDAY, MAY 29, 2026 (5-8:30PM)

- **LOCATION** - Neenah High School Auditorium (500 Rocket Way, Fox Crossing, WI 54956). You will be entering the set of doors to the left of the main entrance. This is the theater wing. *We will **not** be running our rehearsal in the exact order of the shows to better accommodate our little ones with early bedtimes.
- **Please arrive 10 minutes prior to your dancer's scheduled rehearsal time.** *Dressed in their costume (with proper shoes) & ready to go. We will not hold up groups for late arrivals. Save specific hair/makeup/good tights for recitals. Please do not let your child wear their dance shoes outside!
- **Please bring your dancer to the auditorium when you arrive.** *You may stay and watch their rehearsal and may leave as soon as your child is finished with his/her dance.
- **Dancers in multiple #'s:** Please arrive to the rehearsal in your 1st costume. *Please bring additional costumes (with all accessories & proper shoes) clearly marked and **labeled** with your dancer's name to keep backstage. Neenah High School has 2 green rooms - 1 designated for our high schoolers (seniors - mirrored stations only) & 1 room for 5-8th grade. The Black Box area will be utilized for our Tutu Cute, Hippety Hop, and all dancers up through 4th grade with the recitals live streamed. **ITEMS MAY BE STORED AT NHS.** Laundry baskets/bins/personal garment racks work wonderfully for keeping all items together. ~Parents with dancers in multiple classes that need assistance **WILL BE EXPECTED** to help their child with costume changes at the rehearsal (females only). Backstage volunteers will be available for this duty at recitals ONLY. All dancers ages 10 & up are expected to be able to change costumes and hairstyles independently. Please speak with us if you have any special circumstances that we need to be aware of.
- **Feel free to take pictures/videotape at the rehearsal.** *We will not be allowing this during the actual recital performances. Cameras and phones at the shows get very distracting to the dancers and those sitting around you. Please be considerate. We have hired a professional videographer to record our recitals. A link will be posted to our "Studio Family Info" page on the website.
